There are some ground rules.

1. Please bring child/dren on time. Being late can really affect performance and workshops, as we have only 2-hour slots and lots to cover. Please set out with ample amount of time for traffic, parking ect.
2. Please make sure you come on time to collect your child, as teachers need to leave on time to travel to next class.
3. If your child is not behaving, disruptive or being rude to others it may result in them being removed from the class without refund.
4. Attendance is crucial for all workshops and performance.
